To Whom it May Concern:

I have known Joe for more than 20 years and can recommend him as a determined self-starter. He has proven many times on a personal and professional level that he can formulate a strategy, put it into a plan and then follow it through with relentless execution.

Joe is passionate, personable, and has integrity in spades. He is the consummate all-rounder in that he can see the big picture but also sweats the detail which is why I believe he could add value to any team.

Should you wish to discuss any aspect of this letter, I would only be too happy to.

Sincerely
